

Below are some pictures from our previous events & activities.

What and who is The Friends of Dothill School

The Friends of Dothill School are very proud to be part of a caring, supportive community and environment that is committed to ensuring all our children have a successful and happy time whilst at Dothill Primary School. We would like to welcome the children and their families in EYFS & hope you accept our gift of a personalised school water bottle. The Friends have raised thousands of pounds over the years, money which has been spent on improving equipment and providing resources to further enhance all our children's education, such as reading books and musical equipment.

Front: Lucy, Sophie, Eleanor (Vice Chair),
Kate (Treasurer) and Vicki (Secretary)

What do The Friends do?

The Friends are about much more than just fundraising. We exist to provide closer links between home, school, bringing staff, parents and friends together socially in support of the school. We run events for pupils to raise money for pupils to enhance their learning by providing additional resources and experiences for all our children. In recent years we have organised the hugely popular Christmas & summer fairs, clothes recycling, 5p challenge, Christmas cards, craft clubs, school self-portrait tea towels, Easter egg hunt, bingo and children's discos. We are a busy and happy volunteer community who are always open to new ideas, inspiration and offers of help!

How to contact us

You can contact us with any questions, suggestions or offers of help when we are in the playground on the school run, at events or at our committee meetings – but we appreciate that because of commitments with family life and work etc. this impacts on our free time differently we therefore understand not everyone can contribute in the same way. We share information via the school newsletter and Facebook. You can leave us a message with the school office or emailing us on friendsofdothillschool@gmail.com

How can families help?

We are proud of all our children, parents and staff that participate in and support our events, but know we can achieve more.

Offer to help – for example help man a stall, set up or pack away at events. It does not matter if you cannot help on a regular basis, or even if you cannot come into school as there are always jobs to be done like send in donations for mufti - gifts for raffle and tombola. Bake cakes for sales, contact companies for vouchers/gift card/free entry tickets for raffle prizes. From the comfort of your own sofa friends can suggest fundraising ideas, help apply for grants and help promote events - via school newsletter, posters, Facebook, write newsletter articles.

Join in – everyone is welcome to join the committee by coming along to our meetings with their ideas, plan events and to have their say. 2020 has undoubtedly been a strange year for everyone – we are still figuring out how we will be meeting up when school returns in September, please do come along and say hi when our meetings recommence.

Sponsorship – does your employer run a matched fundraising scheme for employees or would they sponsor an event, or donate a raffle prize? If so please get in touch.

Support us! – Please encourage your children to participate in our events and competitions.

We are looking forward to meeting all our new parents soon!
