Dear Parent/Carer,

We are hoping to offer some parent workshops regarding different areas of our school curriculum. Our focus will primarily be on aspects of our Personal, Social, Health Education and Relationships Education.

These parental workshops will be designed to provide you with information about the curriculum requirements and give you further knowledge to support your child at home. To make these workshops as valuable and helpful as possible, we are happy to take our lead from you and tailor them around your responses. We therefore ask if you would spare just a few moments to complete a very short questionnaire by clicking the link below.

Many thanks,
