Head Teacher: Becca Butler

Dear Parents and Carers,

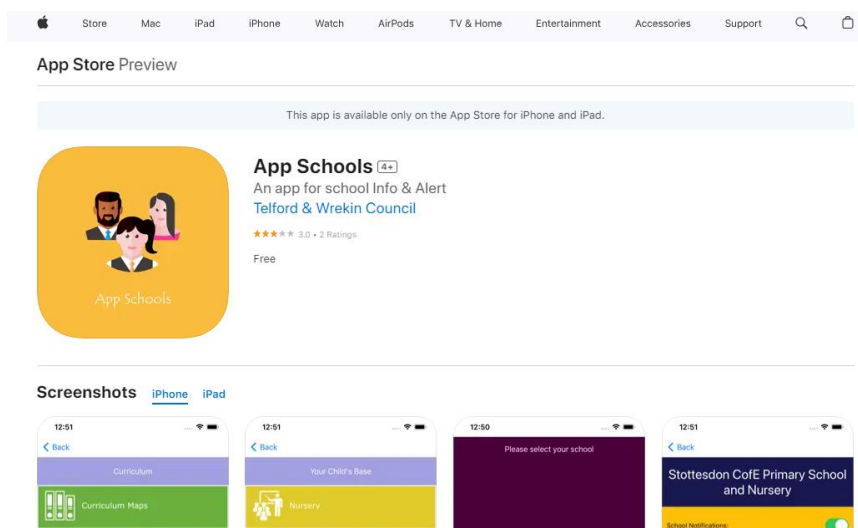

Dothill Primary School Mobile Phone App

Two years ago we were one of the first schools in Telford to have our own app. I know that parents who downloaded the app to their phone found it really helpful to get notifications of letters and calendar updates etc. Since the summer we have been updating and rebuilding our school website. This has impacted on the app and you may have noticed that the app has been telling you that 'page cannot be found.'

I am pleased to say that our website is now complete and that all of the new structure and information is pulling through successfully to the app. This means that if you have previously installed the app on your phone it should now be working successfully again. If not then please delete the app and reinstall it. If you have never installed the app and would like to the instructions are below:

To download the app to your phone please use the following link:

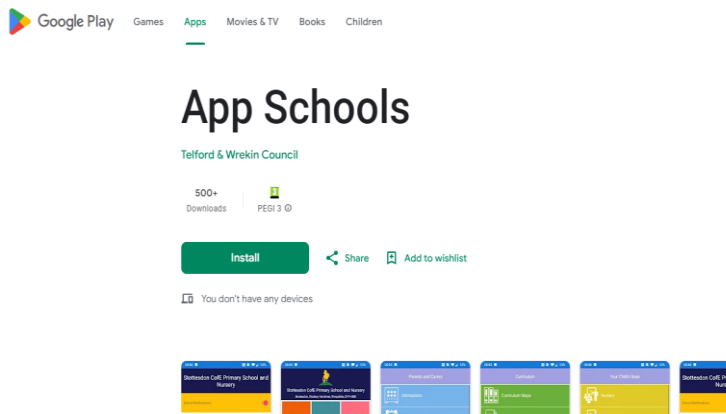

Apple: [App Schools on the App Store \(apple.com\)](https://www.apple.com/app-schools/)

E-mail: a3368@telford.gov.uk

Website: www.dothillprimaryschool.co.uk

Android: [App Schools - Apps on Google Play](#)

Once *App Schools* has downloaded to your phone you will need to open the app and select Dohill from the list of schools. You can then select the appropriate notifications and you are ready for action.

Get downloading now!

Best wishes

Becca
