

# EYFS Project Home work

## Homes

For our project homework for this half term, we would like children to create a home for an animal!

You could:

- Make a plan of your home first.
- Use natural things you find outdoors.
- Make a junk model home by recycling everyday objects from home.

### Weekly Homework:

Read 4 times a week, to be recorded in your reading record.

We have put some Read Write Inc videos onto our class page to help your child learn to orally blend. New videos will be added each week.

**Project due Thursday 21st December**

Thank you for supporting your child with their homework,

Mrs Melville

Miss Dhariwal
