

Year 2 Homework Project—Spring One

Our Science topic this half term is called 'Animals including humans'.

For our homework project, we would like children to find out more about a type of animal that interests them. This could be a species of animal that you may have as a pet or an animal you would find in the wild.

You could;

- Create a fact file, mind map, poster or booklet
- Go on a minibeast hunt and record what you find
- Watch birds in your garden and keep a record of what you see
- Visit a local farm
- If you have a pet, you could keep a diary of everything you do to look after them
- Or another idea of your choice

You could use the fact file template attached to help you if you wish.

Remember: some insects and plants can sting, bite or are poisonous. Please do not pick any plants, eat anything, or put your fingers in your mouth before washing your hands.

To protect our wildlife, do not pick the minibests up (or use a plastic spoon if you do). ALWAYS return any minibests to EXACTLY where you found them.

Weekly Homework:

Read 4 times a week, to be recorded in your reading record.

Numbots

5-10 minutes per day

(login is in the front cover of your reading record)

Spellings

If your child is in Miss Jennings' English group, we will send home weekly spellings for your child to practice. Attached to this sheet is a set of activities that you can choose from each week to help your child practise their spellings in a more fun and interactive fashion.

Please choose 2 activities to complete each week. To evidence this please sign and date the spelling book and write which activities you completed.

Project due Monday 5th February

Thank you for supporting your child with their homework,

Miss Jennings

Miss Challinor

A vertical rectangular box with rounded corners containing 15 horizontal lines for writing.

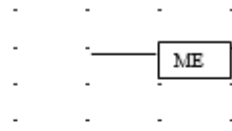

A vertical rectangular box with rounded corners, currently empty.

A vertical rectangular box with rounded corners containing 5 horizontal lines for writing.

A large horizontal rectangular box with rounded corners containing 10 horizontal lines for writing.

Dots Game

Make a square of 4 rows of dots with 4 dots in each row. If the word is spelled correctly, the player can connect two dots. When a square is formed, he can write his initials in the box.

Dusty Words

Go outside to a sandbox and write your words in the sand!

Be sure to clean up afterwards!

Etch-A-Word

Use an Etch-A-Sketch to write your spelling words.

Read the words to a parent or sibling before erasing.

Good, Clean Words

Find a countertop or flat surface that can be cleaned easily. Spray a small amount of shaving cream and spread it out. Write your spelling words in the shaving cream and be sure to clean up afterwards!

Hopscotch Words

Make a hopscotch board on your sidewalk or driveway with chalk.

Write letters instead of numbers and HOP your words!

Letter Writing

Write a friendly letter to a friend or family member using each of your words. Underline the spelling words that you use in your letter.

After your homework is checked, you can MAIL your letter!!

Magazine Words

Use an old magazine and find your words (or the letters that make up your word).

Cut them out and glue on your paper.

Match-Up

Write each of your words on two different index cards. Turn all the cards face down and mix them up. Lay out your cards in rows (like Concentration) and flip over two cards at a time. Read each card aloud to see if they match. Keep them if they match or flip over and try again!
