

# EYFS Project Home work

## People Who Help Us

### Home Learning Challenges

Learn your address and practise what you would say if you were in an emergency and had to call 999.

Create your own emergency vehicle. Think about its features - sirens, hosepipes and ladders, bright colours. You could make your vehicles out of old boxes, bottle tops and cardboard tubes.

If 10 children are waiting to cross the road and the lollipop person takes 4 across, how many are left to cross? You could draw a picture or use your fingers to help you work out the answer.

### Weekly Homework:

Read 4 times a week, to be recorded in your reading record.

We have put some Read Write Inc videos onto our class page to help your child learn to orally blend.

Project due Friday 9th February

Thank you for supporting your child with their homework,

Mrs Melville
