

Year 6 Project Homework

This half term, we would like the children to complete a project based around our overarching topic 'Our Developing Town'. With this topic being based around where we live, it is a wonderful opportunity for the children to get really creative and show their knowledge of the local area. They can come up with an idea of their own or could choose from one of the following ideas:

- Draw a map of somewhere local to the area using the correct map symbols.
- Create a 3D design of a famous place or structure in Telford or the surrounding area.
- Produce a PowerPoint persuading someone to move to Telford.
- Create a poster that highlights information about all the local wildlife.

Weekly Homework:

Read 4 times a week, to be recorded in your reading record, twice signed by an adult that they read with.

Times Table Rockstars

15 minutes on Garage, 2 minutes on Studio

Spellings

Weekly spelling lists are available on the Year 6 page of the school website. Attached to this sheet is a set of activities that you can choose from each week to help your child practise their spellings in a more fun and interactive fashion.

Please choose 2 activities to complete each week. To evidence this please sign and date the spelling book and write which activities you completed.

Project due week beginning Monday 20th May

Thank you for supporting your child with their homework,

Miss Jobe & Mr Kirkpatrick
