Dear Parents and Carers,

Dothill Primary School App

I am really excited to tell you about a new development that is now ready for use - Dothill has its own app! This means that you can access all the key information from the school website directly to your phone in a very user-friendly format. We are one of only three other schools in Telford who have moved forward with this and we are very proud of it!

To download the app to your phone please use the following link:

App Schools Download page: <http://AppSchools.ICTDev.co.uk>

Once *App Schools* has downloaded to your phone you will need to open the app and select Dothill from the list of schools. You can then select the appropriate notifications and you are ready for action.

Get downloading now!

Best wishes

Becca
