04 February 2022

Dear Parents

Next week, 7th - 11th February, we are planning to give the Y6 children who are not going to Arthog a week of exciting outdoor activities.

Some of these activities will take place in the Dothill Nature Reserve and might involve them getting muddy, so we would like them to come in their own clothes for the whole week (something that they can get dirty). The clothing they wear will need to be warm and weather-proof and they must have a coat. We would also like them to bring in a pair of wellies or walking boots to get changed into. In case we get wet whilst at the nature reserve, they can also bring a change of clothes in a bag (their outdoor PE kit would be ideal for this).

We are likely to be in the nature reserve at lunchtimes, so the children will need to bring in a packed lunch too. (Please note no glass bottles or fizzy drinks). If your child has Free School Meals and you would like the kitchen to make a packed lunch for your child for the week please let us know.

Thanks for your assistance with this. We'd like to make this a week for them to remember.

Kindest regards

Dave Kirkpatrick
Assistant Head
