**Head Teacher: Becca Butler**

Date: as per ParentPay

Dear Parents/Carers - Y3 and Y4

On Tuesday 11<sup>th</sup> June 2024, Year 3 and 4 will have the opportunity to explore the science and basic principle of electricity with the Ironbridge Gorge Museum Trust team, in school. The workshop will incorporate fun and practical demonstrations.

Children should wear their normal school uniform - there will be no PE on this day (if applicable).

In order to cover the workshop costs, a voluntary contribution of £5.50 would be appreciated. However, we must point out that if we do not receive adequate funding to cover costs, we will have to cancel this fantastic experience. Please see overleaf for further information.

**Would you please provide consent and make your voluntary contribution using ParentPay by Tuesday 14<sup>th</sup> May 2024. Thank you.**

Yours sincerely

Y3/4 Teaching Team

## Frequently Asked Questions

### **Is it compulsory for my child to attend?**

As the workshop takes place within school and is covering the content of the school curriculum, all children will take part in the workshop.

### **Why do I have to pay when it is a voluntary contribution?**

Under the requirements of the Education Act 1966, we can only raise the cost of the experience by voluntary contributions but in order for the workshop to go ahead, we are dependent on everyone giving support.

### **What happens if people do not pay?**

If the level of financial support is insufficient, the workshop will be cancelled.

### **What if I cannot afford for my child to attend?**

If you are unable to make a contribution, please contact the school.

### **Do we get a refund if my child is absent on the day of the workshop?**

The cost of the workshop has been worked out on the basis that all children will attend and therefore in the event of your child being absent on the workshop date we will not be able to make refunds.
