Dear Parents/Carers

7th July 2026

Today, your child visited their new class and spent time with their new teacher as part of our Move Up Day. They took part in a range of welcome and settling-in activities, began getting to know their new classroom environment, and created some lovely display work ready for September.

The children approached the day positively, and it was a valuable opportunity for them to start building confidence and familiarity ahead of the new school year. You may wish to talk to your child about their visit and ask them what they enjoyed, who they met, and what they are looking forward to in September.

They will come home today with a transition booklet from their new teacher with lots of key information for you. A copy of the new site/room map is on the website so you can see where your child's new classroom will be from September: [Site Plan September 2026.pdf](#)

You will also be receiving an invitation to our 'Meet the Teacher' events in September. These sessions will provide an opportunity for you to visit your child's new classroom, meet the class teacher, find out more about routines and expectations, and ask any questions at the start of the year.

I also thought it would be helpful to share the new teaching structure with you all as follows:
