Dear Parents/Carers

We really value educational enhancements and plan in regular trips and visits to inspire our children's learning. These unfortunately cost money and, including the cost of transport, have once again gone up quite dramatically this year. Thank you so much to those parents who have been able to pay for their child's trips and visits. We have an increasing number of families who are not so financially fortunate which means on many of our trips and visits we make a loss as a school and we have to use our budget to make up the short fall.

As we approach the end of the year we wondered if there were any parents/carers who were willing and able to support the school by making a small financial contribution.

If you feel you would like to do this, please log onto ParentPay and chose the amount you would like to give (we have to put an amount so please ignore the suggested figure). The facility to make a donation will be available until 31st August 2026.

Thank you in advance to anyone who is able to help.

Best wishes

The Team at Dothill Primary School
